

Meet the Street

Project Partners

In order to organise the Meet the Street project, 20 partner centres from different countries of Europe are supporting ERYICA.

Those centres have already given the opportunity to 39 youngsters from 12 countries to take part in the event of the first phase of the project (October 2008 – February 2009), and are supporting youngsters during the second phase of the project (March 2009 – September 2009).
